How an enterprising Maryland Nurseryman
makes double profits on these
FIELD EVERGREENS:

||
Last week he bought two truckloads; one for immediate
landscaping, the other for a special block in his nursery.
He cleans up a nice profit on his present sales and lays
a good foundation for future business. In other words,
they make him double gain. Good idea, don't you think?
Yes, sir! Now, what varieties? How many?
